WORKSHOPS

IT'S ABOUT THE FUTURE, LET US START WORKING ON IT!

The Crossroads of Human Sexuality

Mary Elizabeth Moore | Bishop Mande Muyombo | Eliezer Valentin
Conversation from the divine principles perspective instead of legalistic and inhuman understandings of who we are as a diverse community.

Immigration: Understanding Sanctuary

Pablo Alvarado | Jorge Dominguez
Review of the different conceptions of the new Sanctuary Movement and its ethical and legal implications.

Carisma y Compromiso

Irving Cotto | Obed Javier Perez
Discussion about how the charismatic movement shapes the understanding and practice of Christianity among Hispanic/Latinos in USA.

Community Organizing: Connecting faith and works

Alexia Salvatierra | Patricia Bonilla
An effort to translate personal holiness into social justice actions in light of the current social and political realities of our nation.

Expressing Grace Through Liturgical Acts

Sergio Centeno | Juan Garay
Conversation around the complexity of the needed human expressions of God's grace and inclusiveness.

The Untapped Opportunity: Generational Boundaries

Delia Ramirez | Alexis Francisco
Facing the hierarchical influence of inter-generational dynamics that prevent new generations to achieve full potential.

Believe Me We Are An Interracial & Multicolor Nation

Mark Hugo Lopez | Ella Luna
A review of how the multi-ethnic and multiracial character of US is accelerating at a pace even more rapid than many demographers had projected.

The Alternative Truth from the Pulpit

Fernando Cascante | Eunice Vega-Perez
Conversation about personal priorities and the integrity required to faithfully perform the prophetic proclamation of the Word.
